

Sometimes the toughest jobs are the most rewarding.

And we don't just mean they give you the warm fuzzies. The median salary for licensed vocational nurses in Northeast Texas is **\$41,500**, while the median salary for registered nurses is **\$63,700+**. If you've got grit, determination, and a big heart, Texas needs you.

**Step up and turn a calling
into a career that'll always
be in demand.**
