

Opportunity isn't gonna come knockin' on its own.

You'll have to put in the work if you want to build a mighty fine future. College or career training can help you get there.

**Step up, get some training,
and show opportunity who's boss.**

TEXAS

Texas colleges and universities are here to help you put in the work.

If you want to show opportunity who's boss, enroll in a higher education program and earn a credential that will help you earn a bigger salary and keep Texas strong.

And by college credential, we mean anything from a one-semester technical certificate to a Ph.D. (and everything in between).
