

**Texas is  
growing fast.  
You coming  
with it?**

**Step up**  
TEXAS

# **Texas colleges and universities are here to help you put in the work.**

If you want to show opportunity who's boss, enroll in a higher education program and earn a credential that will help you earn a bigger salary and keep Texas strong.

And by college credential, we mean anything from a one-semester technical certificate to a Ph.D. (and everything in between).
